

Announcement for Revision of "2021 Taipei International Dragon Boat Championships"

Date: August 13, 2021

1. To reduce the risk during the epidemic alert period and improve the health and safety of participants. During the "2021 Taipei International Dragon Boat Championships" series of events, a health certificate will be checked **(Note)**. For those who have presented a health certificate can choose not to wear a mask on the dragon boat during the race, and the mask is immediately required once they finish the race and get off the dragon boat. Anyone fails to show the health certificate should wear a mask **at all times** (including during dragon boating).

Note: A health certificate refers to one of the following three documents (the original or digital form is acceptable):

- (1) 14 days after the first jab of vaccination for Covid-19.
 - (2) Recovery certificate or notice of release from quarantine from the once confirmed Covid-19 individuals.
 - (3) Negative result on any general quick screening (quick screening reagents can be purchased at the pharmacy) within 7 days or a negative PCR test certificate (at your own expense).
2. The organizer will open the registration system for any teams that cannot comply with the aforementioned regulations to withdraw from August 16 to 25 (the change of team staff and players function is not open). The registration fee of NT\$2,000 will be fully refunded to the withdrawal team account. (The domestic account provided during the registration for receiving the subsidy). Please find the "Withdraw Application" in the registration system of the Dragon Boat Event website, and then download the "Receipt for Refund of Registration Fee". After printing out the form, filling in relevant information and signing, please send the "Receipt of Refund of Registration Fee" by registered mail to the Sports

for All Division of the Department of Sports, Taipei City Government (10553, No. 10, Section 4, Nanjing East Road, Songshan District, Taipei City) before August 25, 2021 (based on the postmark date). Please specify on the envelope "Application for refund of registration fee for 2021 Taipei International Dragon Boat Championships". Applications will not be accepted after the deadline. For the teams registered for small dragon boat Junior Division or the Master Division that wish to withdraw from the competition, please find the "Withdraw Application" in the registration system of the Dragon Boat Event website. Since there's no registration fees involved, there is no need to mail in the "Receipt for Refund of Application Fee" for Junior and Master Division teams.

3. The draw meeting that was originally scheduled for August 18 is postponed to September 1, 2021. Arrangement for complying with pandemic prevent measure will apply for processing the drawing, passing out of accreditation cards and team supplies. The detail of arrangement for the draw meeting and related matters will be announced on August 27 on the official website and Facebook page of Taipei International Dragon Boat Championships.
4. Amendments related to the use of dragon boat simulation pool and Pre-game practice are as follows:
 - (1) Please show the accreditation card and health certificate for each practice registration.
Those who fail to provide a health certificate should wear a mask at all times.
 - (2) The number of standard dragon boats and small dragon boats for each pre-game practice session has been reduced from the original 8 boats to 5 boats. The booking of practice is limited to one practice per day for each team. If the relevant guidelines of the Central Epidemic Command Center are released, the number of boats for practice will be adjusted accordingly.
 - (3) The original date for dragon simulation pool practice and pre-game practice is scheduled from September 12 to October 6. It is changed to September 13 to October. Please note that the revised activity schedule is as follows:
